Re: Application of Duke Energy Progress, LLC for Approval of Proposed Electric Transportation Pilot and An Accounting Order to Defer Capital and Operating Expenses
Docket No. 2018-322-E

Dear Ms. Boyd:

Enclosed for filing, please find the Amended Application of Duke Energy Progress, LLC (the "Company") for Approval of Proposed Electric Transportation Pilot and An Accounting Order to Defer Capital and Operating Expenses, along with amended Exhibits B and D—the proposed tariffs for the Electric Vehicle School Bus Program and the Electric Vehicle Fast Charging Station Program. Redlined versions of the amended application and exhibits are also being filed herewith to show the changes from that which was originally filed by the Company on October 10, 2018. The other exhibits included with the original application remain unchanged.

The amendments to the originally filed application reflect stakeholder feedback and recommendations received during through the stakeholder working group process facilitated by the South Carolina Office of Regulatory Staff. The Company is grateful for the opportunity to have discussed the Electric Transportation Pilot with stakeholders and to have received feedback that will improve the proposed programs.
